

Guidelines for the issue of an EWPA Restricted Yellow Card to Under 18 year olds

INTRODUCTION

The EWPA Yellow Card training program allows for young employees such as trainees, apprentices or labourers to participate in the EWPA Yellow Card training program and be issued with evidence of training through a restricted EWPA Yellow Card.

Some of the benefits of this training for the young learner are:

- Being able to better support their senior work colleagues.
- Developing a deeper understanding of risks and hazards related to working with and operation of EWPs.
- Participation in this training is also contributing to the building of skills and the learning pathway for the young learner.

TO BE ELIGIBLE FOR THE U18 RESTRICTED YELLOW CARD PLEASE NOTE THE FOLLOWING:

1. The minimum age to obtain a Yellow Card is 14 years & 9 months (subject to each state regulatory body).
2. Applicants under 18 years of age will have a **Restricted Yellow Card** issued, marked with an 'R'. The restriction will only allow the Operator to operate an EWP under **direct supervision** of an Unrestricted (over 18) Yellow Card holder of the same EWP class.
Direct supervision – supervision that is direct and on a constant basis, within visual contact and/or earshot (audible range). Constant basis refers to the continuous supervision of tasks being performed for the first time and until skill is demonstrated for the complexity of the task and the work environment.
3. When an operator turns 18 they will be issued with an Unrestricted Yellow Card with the same expiry date.
4. If the operator's postal address details change between obtaining the **Restricted Yellow Card** and turning 18, they will need to contact the EWPA prior to turning 18.

For further information about the EWPA Yellow Card Training Program for under 18 year olds please contact the EWPA Office – email: info@ewpa.com.au ph: 02 9998 2222
